

# DeSoto County Law Enforcement MSTU Update

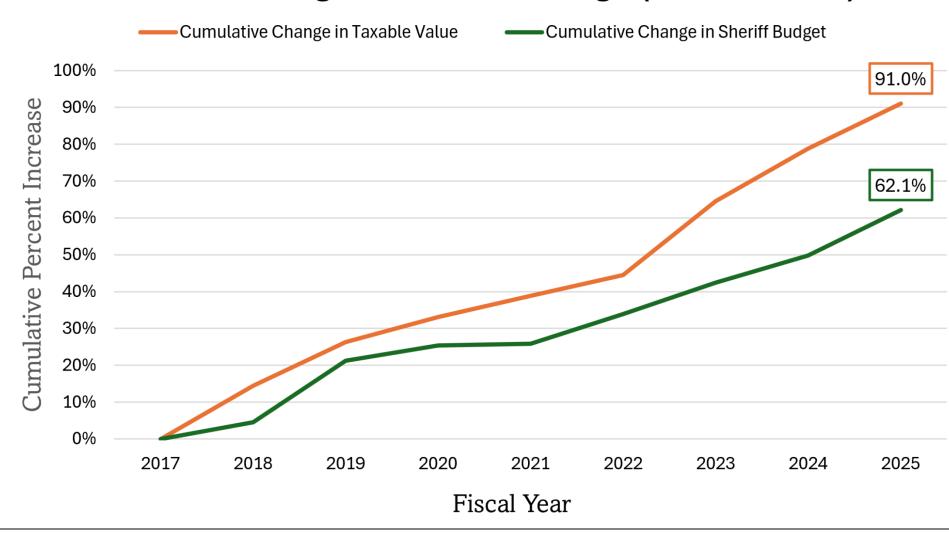

### Agenda

- 1. Background
- 2. Methodology
- 3. Results
- 4. Benchmarking

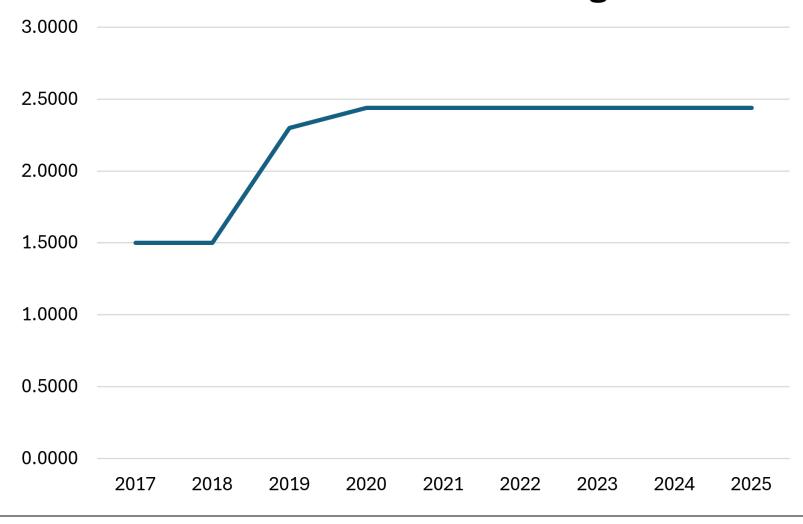

### Background

### **Cumulative Change in TV vs Sheriff Budget (Relative to 2017)**

### Background

### Law Enforcement MSTU Millage Rate

DeSoto County has not increased the Law Enforcement MSTU Millage Rate in five years.

### Methodology

Calculate total eligible FY 26 budget

Divide total eligible budget by total Taxable Value

1

## Total Eligible Budget Calculation

- Personnel Services
- Operating Expenses
- Capital Outlay
- Other Uses

#### Add:

Miscellaneous Expenses

- Annualized Cost of Study
- 5% Discount

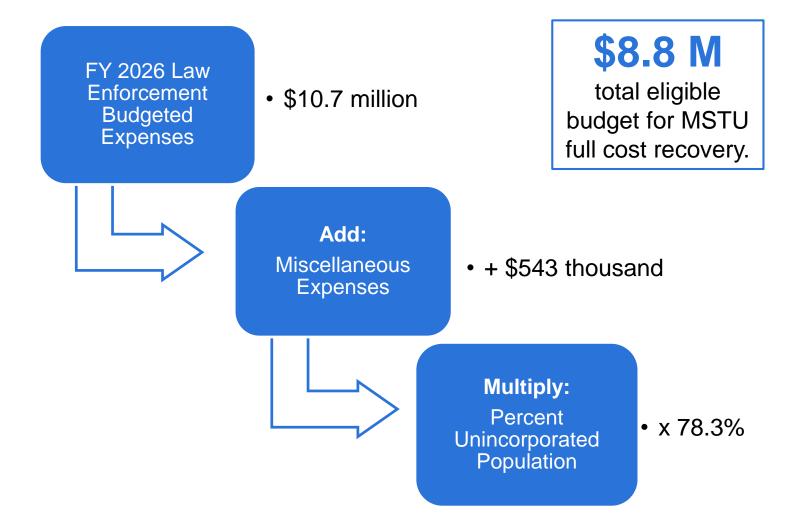

Multiply:

Percent
Unincorporated
Population

• 78.3%

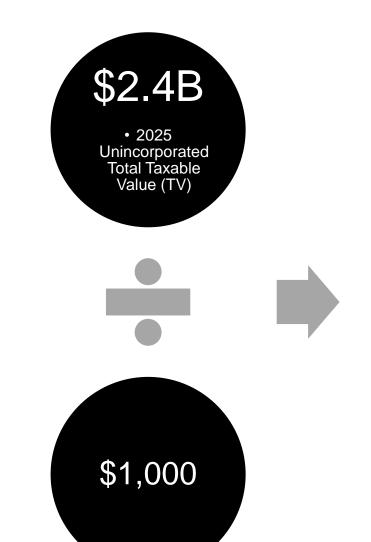

1

## Total Eligible Budget Calculation

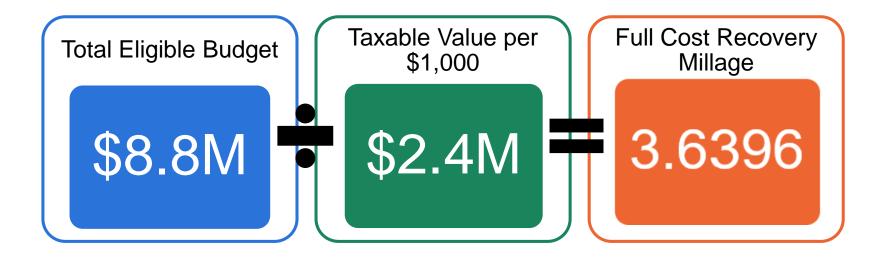

2

## Total Taxable Value per \$1,000

\$2.4\M
Taxable Value per \$1,000

### Results

### Full Cost Recovery vs Current

\$8.8M

Revenue Generated

\$5.7M

Revenue Generated

Full Cost Recovery Millage

3.6396

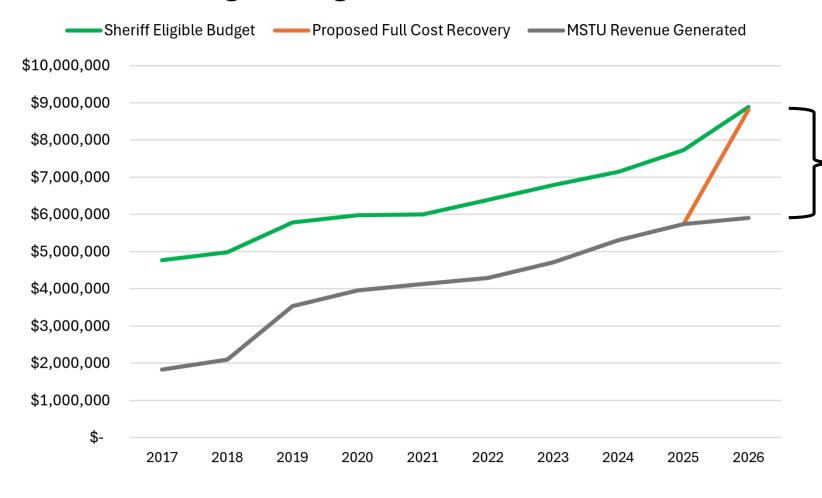

Current Millage

67% Recovery

2.4399

### **Historical Budget Recovery**

Sheriff's Eligible Budget vs MSTU Revenue Generated

Proposed

3.6396

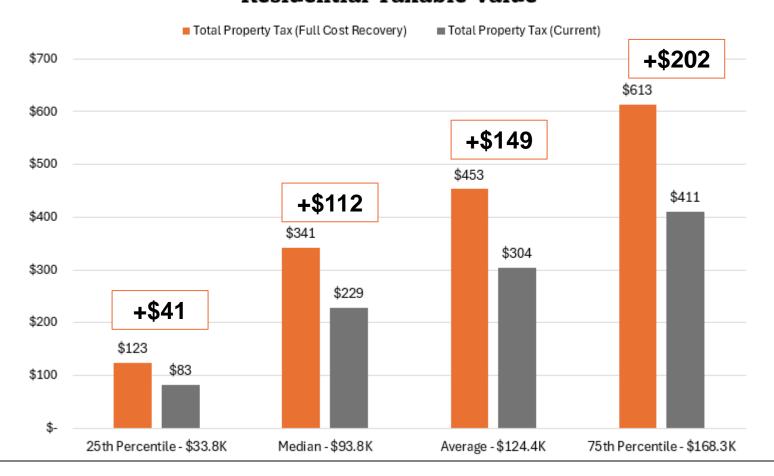

Increasing the Millage Rate will close the gap of Sheriff cost recovery

Current

2.4399

### Sample Bill Impacts - Single Family Residential

#### Law Enforcement MSTU Levy by Single Family Residential Taxable Value

Full Cost Recovery

3.6396

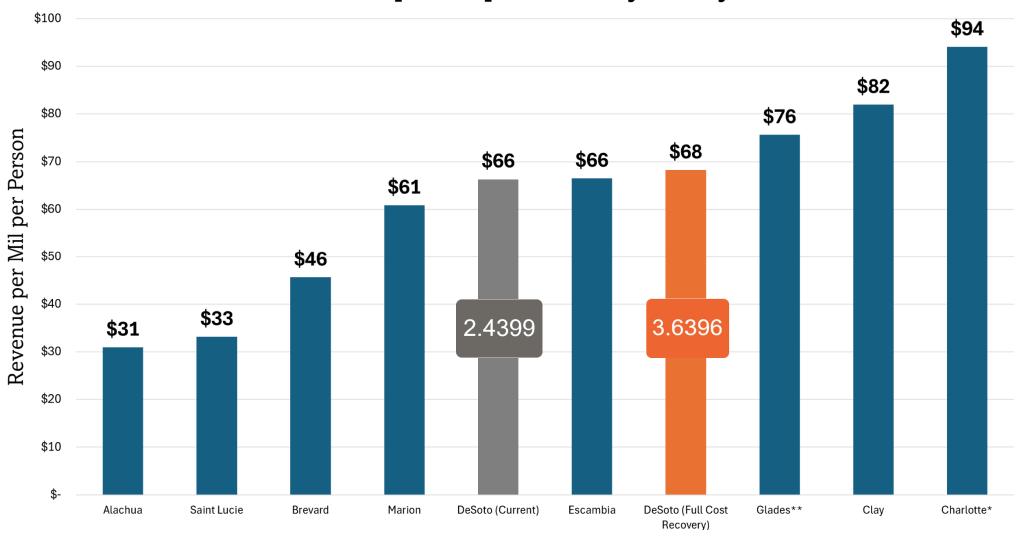

67% Cost Recovery
